About the Job:

Are you looking for a position where you will be the key point of contact to the customer? WOLONG is searching for a Key Account Manager, responsible for the OEM market in the Nordic countries (notably Denmark and Norway). WOLONG produces electric motors and drive systems, mainly for customer-specific solutions in small and large series.

You will be working with many different industrial segments e.g. Wind, Marine, Oil&Gas. Home Appliance.

Responsibilities:

As a Key Account Manager at WOLONG, you will have the following responsibilities:

- Establishing, maintaining & developing new customers.
- Identification of business opportunities and market potential
- Controlling of incoming project inquiries
- Executing contract negotiations
- Budget planning and continuously analyzing the market.
- Preparation of KAM reporting.
- Participation in fairs, customer events etc.

Profile:

- 3+ years of professional experience with external sales.
- Excellent business understanding and a high level of commercial business insight.
- Background from a similar position with documented results.
- Able to work independently
- Pragmatic, problem solving, team-player, and flexible mindset to work effectively under pressure.
- You have affinity with electrical engineering (and/or mechanical engineering), familiar with relevant applications.
- You have an excellent command of Danish and/or Norwegian. Additional, you are fluent in spoken and written English.

We offer:

An exciting job in an international and dynamic growing company with excellent opportunities for professional and personal development. A great team of committed colleagues with hands-on working attitude.

Your primary work location will be Aarhus, Denmark, and you expect 40-60 travel days per year mainly in the Nordics. You will report to the regional sales manager.
