## Power your future

### Quotation Support Engineer, WOLONG EMEA Germany GmbH

Full Time, Location Möchengladbach

**WOLONG**  
Power your future

**WOLONG GROUP** Is one of the leading manufacturers of Power Drive System solutions and world's 3<sup>rd</sup> largest producer of electric motors. More than 16.000 people employed worldwide whereof 3.000 in Europe. The product portfolio covers motors and inverters, generators, power supply batteries and transformers and other related products, in a power range from a few Watt to 135 Megawatts. This position is part of the Quotation Center team responsible for quotation support to Front End Sales organization and our customers. Your primary work location will be in Germany, preferably in Mönchengladbach area.

#### Quotation Engineer – Wolong EMEA

We're looking for **two** new talents joining our Global Quotation Team. You're responsible for providing quotations for new business opportunities across the globe, reading customer specifications, co-ordinating and compiling technical clarifications to ensure the offered product meets the customers' requirements.

You work in the Global Quotation Team to promote the full Wolong portfolio and ensure the most competitive offer from all associated brands and to assist in the selling of products to our Customers.

By joining our team, you will have the chance to be involved in international business and to work for an industry-leading manufacturer.

#### Your background and what is important to us

We're looking for someone with an understanding of the rotating electrical machines and/or related applications. You can have already gained some work experience in the similar field or have just finished technical studies in the field of electrical, mechanical or industrial engineering. Important is that you have technical background and eagerness to learn more.

You have the ability to work independently and effectively under stress. You possess excellent team working skills, have good verbal and written communication in English and German. Knowledge of motors and drives industry and related applications are considered an advantage.

#### What is in it for you?

We offer you an interesting role in an international business environment with competitive salary package and permanent employment contract. We have extraordinary products, great colleagues and opportunities for your professional development in a growing corporate organization. After onboarding period possibility to partly work based on home office. This is your opportunity to join the dynamic Wolong family and to power your future, all working together to build a better future for our customers and the industry. At Wolong, you are empowered, your initiative and teamwork are highly valued and your contribution and success are recognized.

#### Want to be part of Wolong family?

Submit your application in English to :

[WL-Recruitment.EUsales@atb.wolong.com](mailto:WL-Recruitment.EUsales@atb.wolong.com)
